### About the Monster Employment Index

Launched in April 2004 with data collected since October 2003, the Monster Employment Index is a broad and comprehensive monthly analysis of U.S. online job demand conducted by Monster Worldwide, Inc. Based on a real-time review of millions of employer job opportunities culled from a large, representative selection of online career outlets, including Monster, the Monster Employment Index presents a snapshot of employer online recruitment activity nationwide. The Monster Employment Index's underlying data is validated for accuracy by Research America, Inc. – an independent, third-party auditing firm – to ensure that measured online job recruitment activity is within a margin of error of +/- 1.05%. To obtain a full copy of the Monster Employment Index report for January 2010, including all charts and tables, please visit <http://about-monster.com/employment-index>. Data for the month of February 2010 will be released on March 4, 2010.
